Chapter 3. Intelenet System

IC 5-21-3-1

Intelenet system; description

Sec. 1. The commission shall design, develop, contract for, and manage statewide, integrated telecommunication networks and information technology services that economically, efficiently, and effectively meet the needs of authorized users. When technically possible and cost efficient, the system shall use facilities of the certificated local exchange telephone companies. The intelenet system may include the following:

- (1) A statewide voice network.
- (2) Voice connections into each county in the state.
- (3) Interfacing with out-of-state voice facilities.
- (4) Lines to connect computers and terminals.
- (5) High speed data switching capacity.
- (6) Data connections into each county in the state.
- (7) A statewide broadcast network for video signals.
- (8) Two-way video conferencing capacity.
- (9) Other telecommunication and information technology services approved by the commission.

The commission shall provide the intelenet system and Access Indiana solely to carry out or to facilitate the carrying out of the essential public, educational, and governmental functions of authorized users.

As added by P.L.54-1986, SEC.1. Amended by P.L.45-1996, SEC.9.

IC 5-21-3-2

Support services; technical assistance; materials; supplies

Sec. 2. The commission may provide authorized users with any administrative support services, technical assistance, materials, or supplies that are necessary or incident to determining whether to become a user of the intelenet system or using the intelenet system.

As added by P.L.54-1986, SEC.1.

IC 5-21-3-3

Technical information and assistance requested by user

Sec. 3. The commission may provide technical information and assistance for the coordination, planning, allocation, procurement, or management of intelenet services to an authorized user when requested by the user.

As added by P.L.54-1986, SEC.1.

IC 5-21-3-4

Policies; standards; procedures

Sec. 4. The commission shall set policies, standards, procedures, and other requirements for the intelenet system, for the commission's relationship with suppliers for the intelenet system, and for the provision of intelenet services to authorized users.

As added by P.L.54-1986, SEC.1.

IC 5-21-3-5

Availability of services

Sec. 5. The commission shall determine the timetable by which the intelenet system becomes available to an authorized user and the extent to which intelenet services will be provided to an authorized user.

As added by P.L.54-1986, SEC.1.

IC 5-21-3-6

Ownership of system

Sec. 6. Neither the state nor the commission may own the intelenet system.

As added by P.L.54-1986, SEC.1.
